

KS5 SESSION 3 CLUBS AND INTERVENTION SESSIONS

Hammersmith Academy is committed to the development of the whole child and our comprehensive additional curriculum gives students a range of opportunities to complement and extend their education. Session 3 clubs are enjoyed by all ages and they provide students with a great opportunity to mix with others and learn new skills.

All students can earn a Session 3 Merit (1 point) every time they attend a club and Sixth Form students can earn an Elective Merit (2 points) for supporting or running a club. Merits are certificated depending on the number achieved over the academic year.

In order to further support our Key Stage 4 and 5 students during their preparation for GCSE, BTEC and A Level courses, we are offering a variety of Intervention Sessions. These allow students to access further support in their subject areas. Intervention Sessions are run by experienced and dedicated staff and provide an excellent opportunity for students to meet and exceed their target grades.

Intervention Sessions are either open to all or are 'invite only' due to the nature of the topic or subject. Interventions complement the learning that takes place in lessons and are usually focused on revision, coursework completion or developing study skills.

MONDAY

Club Name	Department & Staffing	Day	Year group	Room	Time
KS4-5 NEA Coursework Surgery	DT (RYO)	Monday	Y9-13	G58 / G61	3.30-4.45pm
