GCSE, A-LEVEL, BTEC & APPLIED CERTIFICATE EXAMS 2021

Dear Exam Candidate and Parent/Carer,

The government has announced that examinations in summer 2021 will not take place in the usual way. However, we have been advised to make examination entries as usual for summer 2021. Students will receive Centre Assessed Grades (CAGs) from the examination boards.

The evidence for the CAGs will be based on assessments and other evidence of completed work by the students to date, and will also include future assessments and evidence.

If you are entered for the Applied Certificate in Medical Science this will stand as a qualification on its own and will be carried on into the Applied Diploma (in Year 13) to complete the full qualification.

BTEC Level 3 students in IT, Business, Media and Sport may notice that they have been entered for a unit exam that the students previously sat January 2021. We have entered all students for the time-being, but once we have received the January 2021 results and further guidance from Ofqual, we may withdraw the entry.

The information displayed on the Statement of Entry is the information that will be printed on the exam certificates. It is very important that students check the spelling of their name, date of birth and that their gender is correct.

If there are any subject entries missing or personal details that are incorrect, then please do get in touch with the Exams Officer, Ms Hrabankova, by Wednesday 17th February 2021 at the latest.

Yours faithfully,

A handwritten signature in black ink, appearing to read "Lucie Hrabankova".

Lucie Hrabankova
