## Hammersmith Academy <br> Mathematics Department

Feel free to decorate this page with drawings of mathematical images.

At the beginning of Year 7 we focus on number skills. Below are some tasks for you to practise the number skills you already haveand a few challenges to get you thinking!

Task 1: Calculations- show your working out! You will be in a class with students from different primary schools and you may do your calculations differently. Show your teacher how you do these calculations:

1) $968+383$
2) 1024-647
3) $62 \times 39$
4) $2655 \div 9$

Task 2: Tell your Year 7 Mathematics teacher more about you...

1) In mathematics I am good at
$\qquad$
$\qquad$
$\qquad$
2) My favourite topic in mathematics is
3) I need to improve at
