

Name _____

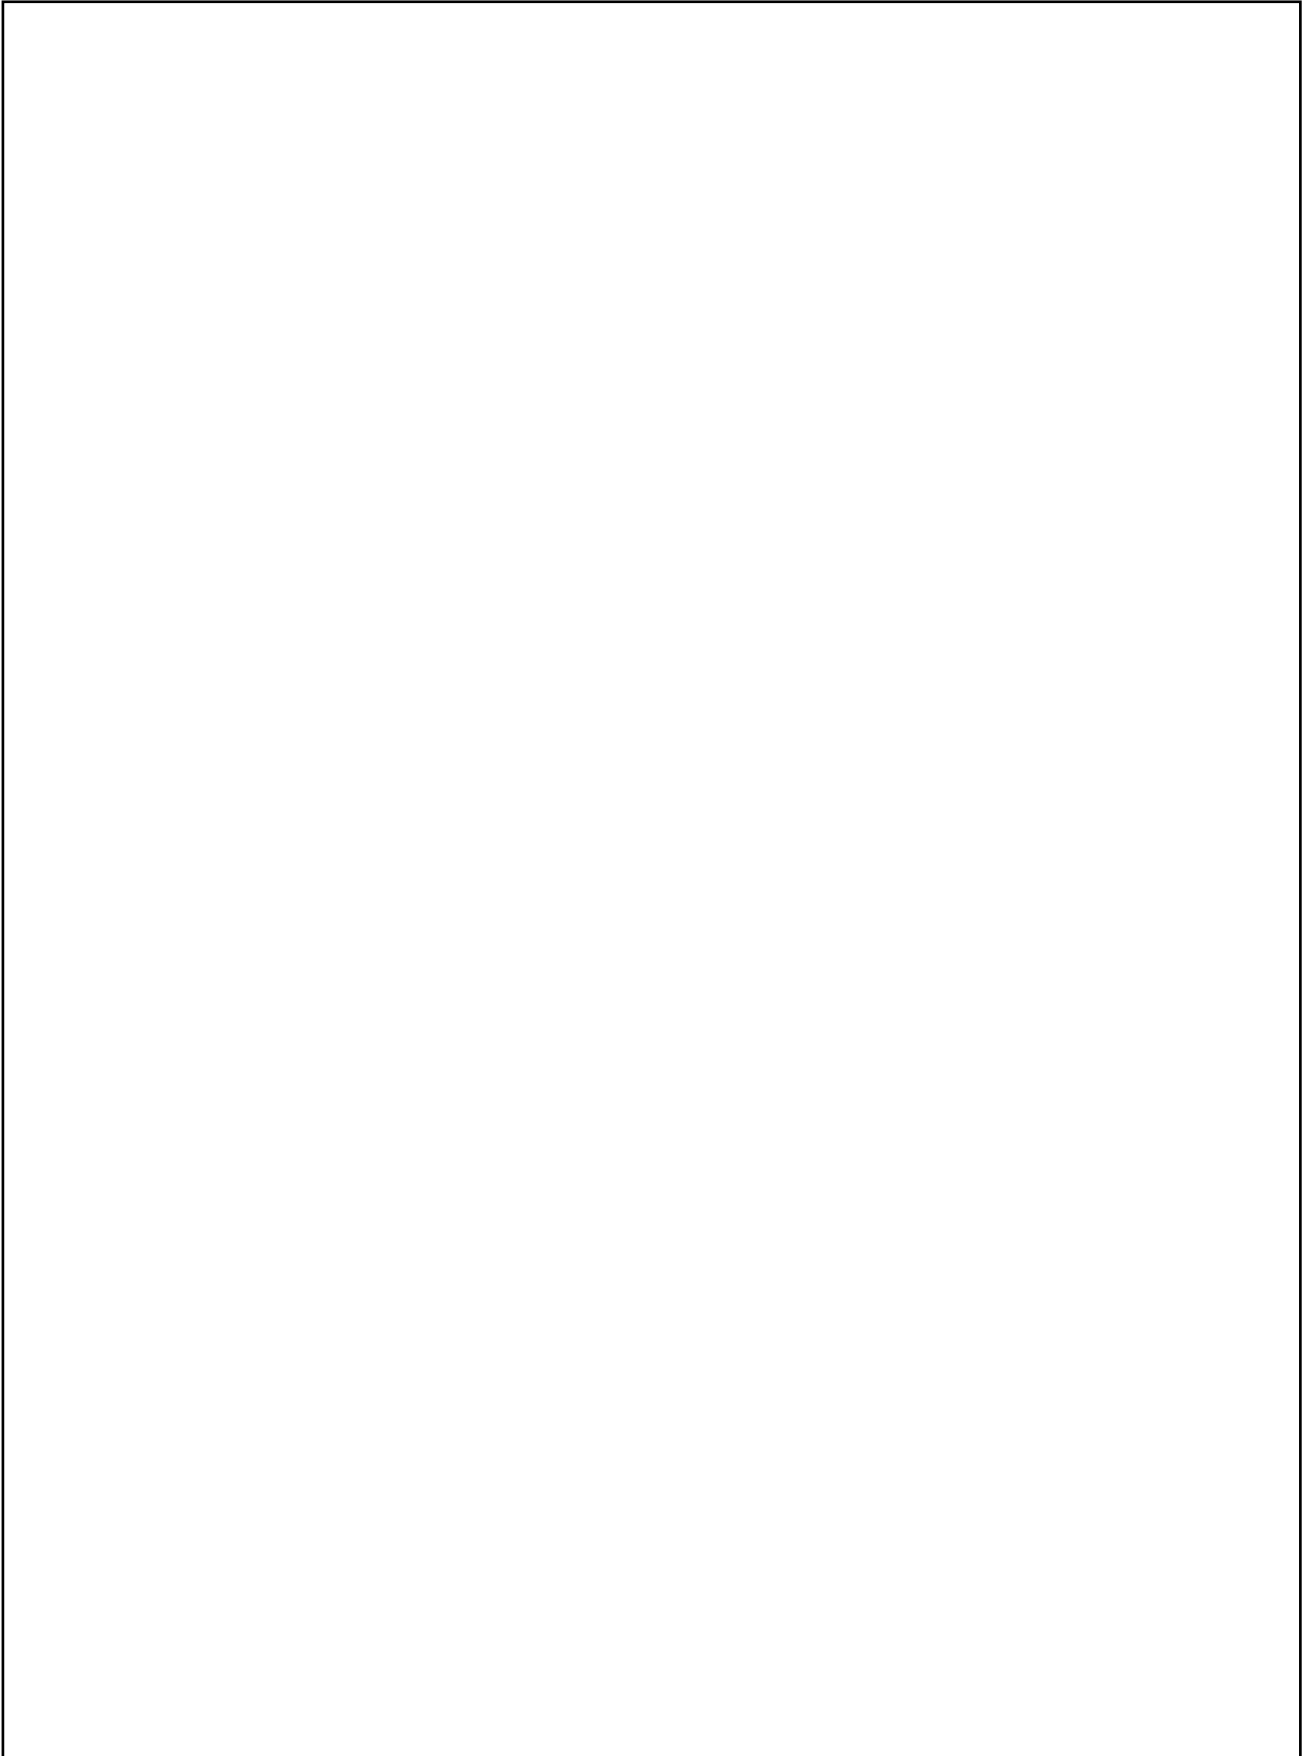

Surname _____

SCIENCE

Task 1: Draw a picture of a scientist below

Label your diagram with key features of your scientist.

Task 2: Use the internet to research and design a poster about a scientist of your choice.

Here are some examples of scientists:

Marie Curie Nikola Tesla Isaac Newton Mae Jemison

Philip Emeagwali Neeti Kailas

Make sure you include:

- their name and where they are from
- their discoveries/ research
- why you think their work was important
