Houses at HA

At HA you will be part of a house:

Throughout the year there are lots of opportunities for you to represent your house.

The 'Summer Sports Challenges' are the first chance you have to win some points for your house!

What do I have to do?

There are 10 events you can enter. Each event has a video of your teachers showing you what to do. Watch the videos and choose which events you would like to have a go at. Can you do all 10?
