

PHOTOGRAPHY BINGO

Take a photoshoot abstracting everyday objects by zooming in. Try to get zoomed in photographs of each of the following items.

Something You Can Drink	Something You Can Eat	Childhood Toy	Metal Surface
Fabric Surface	Wooden Surface	A Piece of Technology	Item of Clothing
Plastic Surface	A Light	A Glass Surface	A Paper Surface
A Piece of Artwork	Something Alive	Something New	Something Old

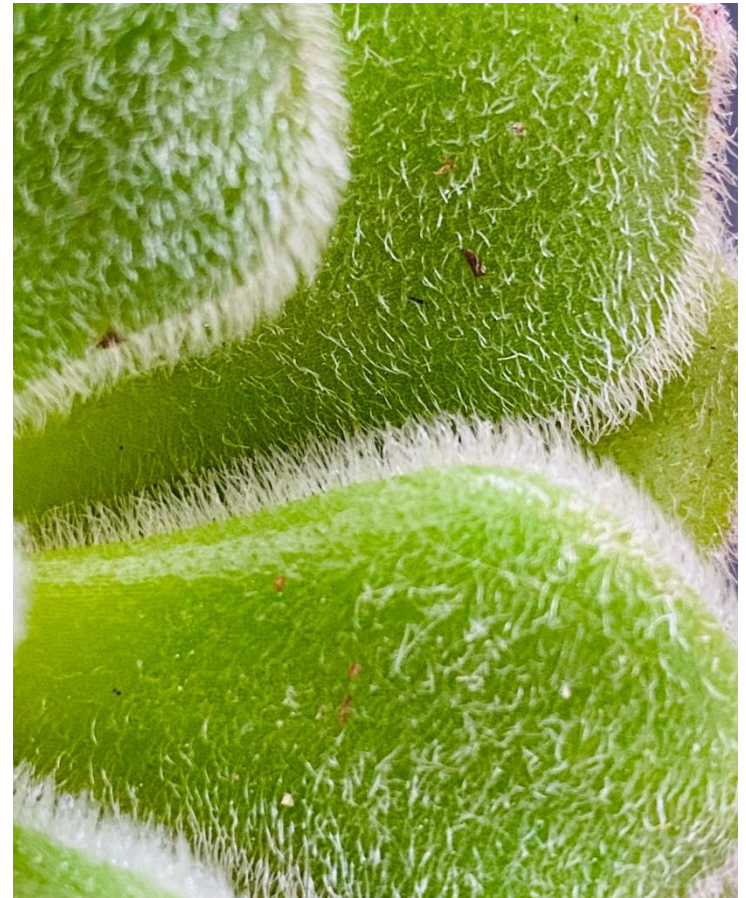

TOP TIPS!

If possible, get your photographs printed:

If not possible, put your photographs onto a PowerPoint.

1. Think about the **angle** you choose to photograph
2. Think about the **light** - try and create some interesting shadows and highlights
3. Ensure your photograph is in **focus**
4. You may want to enhance the **saturation** or **contrast** once you take the photograph. You can use this using basic editing functions on your phone or camera.
