MOCK EXAMINATION – RELIGIOUS EDUCATION

Dear Parent/Carer,

After half term, Year 10 students will be completing their second round of examination in Religious Education in order to prepare students to sit their GCSE RE examination in the summer examination period. **The examinations will take place on Monday 19th February 2024 and Wednesday 28th February 2024.** Please be aware that on Monday 19th February 2024, students will be dismissed at approximately 2:15pm once they have completed their exam.

Please make sure your child is fully prepared and equipped for the exam. No additional equipment will be given out under any circumstances.

- Ensure your child is prepared for the exam by checking they meet the GCSE equipment and conduct requirements.
- Bottles must be transparent with all labels or writing removed.
- All electronic devices, including watches, headphones and phones must be turned off and handed to exam supervisors.
- Students are required to have a transparent pencil cases with a ruler, scientific calculator, eraser, protractor, compass, sharpener, pencil and two black pens.
- All exams must be completed in black pen only.
- No notes or paper of any kind are not permitted into the examination room.
- Speaking or any form of communication is not permitted once students have entered the examination room.
- Students are required to be in full school uniform, including correct school shoes. Students with incorrect/poor uniform will not be permitted to enter the exam hall.

Students must arrive on time and meet the Academy and external expectations around formal examinations. Failure to arrive to the Academy on time or to uphold the examination expectations, may result in your child not being permitted to complete their examination.

We hope this opportunity will provide students with the experience, motivation and focus required to perform to the best of their ability. Students will receive an overall result and feedback from their mock

examination, which will be vital in them identifying next steps in order to make progress. Parents/Carers will have the opportunity to discuss their child's mock examination result with their subject teacher during the Year 10 Parent's Evening, which will take place on Thursday 25th January 2024.

If you have any questions please contact your child's RE teacher in the first instance.

Yours faithfully,

Mr Wilson
Deputy Headteacher

Ms Laaouiti
Head of Year 10
